

Ole Smoky Peach

Tennessee Moonshine

Anyway you slice it, peach has long been a traditional flavor of the American South. From chilled preserves to warm cobbler- in homemade marinades, sauces and glazes - its flavor profile adds just the right touch of aromatic sweetness. Ole Smoky® celebrates this beloved summer stone fruit with Ole Smoky's® Peach Moonshine™. At 40 proof, you'll find it easy to sip, whether straight, over ice or mixed into a creative cocktail. Sold over 35,000 cases of moonshine in the US alone in 2014 Master distillers use only local ingredients, pristine Tennessee water and 100% real fruit juice. They take pride in their extensive line of small batch handcrafted Moonshine. The Ole Smoky Moonshine Distillery, "The Holler", is America's most visited distillery.

At just 40 proof, this peach moonshine infusion is sweet and dangerously smooth, yet has enough 'kick' to remind you that it IS in fact Tennessee moonshine after all. We enjoyed Ole Smoky Peach best straight out of the jar. But you can also drink it on the rocks or in a creative cocktail.

It can be enjoyed on the rocks or straight from the mason jar
