

**Ole Smoky Pineapple
Tennessee Moonshine**

The taste of pineapple reminds us of the beach. It reminds you of a moist, delicious piece of pineapple upside-down cake and, now...it will remind you of moonshine. Ole Smoky Tennessee Moonshine infused with pineapple. Think about it, a pineapple is about the same size and shape of a Mason Jar — only seems right that it should go into one. Sold over 35,000 cases of moonshine in the US alone in 2014 Master distillers use only local ingredients, pristine Tennessee water and 100% real fruit juice. They take pride in their extensive line of small batch handcrafted Moonshine. The Ole Smoky Moonshine Distillery, "The Holler", is America's most visited distillery.
