

Ole Smoky White Lightnin'

Tennessee Moonshine

Ole Smoky's White Lightnin' is mountain made from 100% grain neutral spirits that have been distilled 5 times for premium smoothness. But 5 times is just not good enough for Ole Smoky so this lightnin' ran one more time through our authentic copper moonshine still for good measure, resulting in a moonshine that is great for mixin'. Sold over 35,000 cases of moonshine in the US alone in 2014 Master distillers use only local ingredients, pristine Tennessee water and 100% real fruit juice. They take pride in their extensive line of small batch handcrafted Moonshine. The Ole Smoky Moonshine Distillery, "The Holler", is America's most visited distillery.
