

Ole Smoky Blue Flame

128 proof

Clear mountain spirits have always been known as moonshine, but only the best of the lot is called Blue Flame. For generations, people here have measured the quality of their liquor by taste and the color of the flame produced when burned. At 128 proof, experience the clear, clean measure of real moonshine. Made according to a strict family recipe and process, Ole Smoky® Blue Flame is what other moonshines try to be. Sold over 35,000 cases of moonshine in the US alone in 2014 Master distillers use only local ingredients, pristine Tennessee water and 100% real fruit juice. They take pride in their extensive line of small batch handcrafted Moonshine. The Ole Smoky Moonshine Distillery, “The Holler”, is America’s most visited distillery.
