

Rebel Yell Cherry

Founded in 1849

Since 1849, The “Rebel Yell” brand was created for Stitzel-Weller by Charles R. Farnsley (a former mayor of Louisville) around the 100th anniversary of the original Weller company, with the idea to distill it in limited batches for exclusive distribution in the southern United States. Award winning recipe using only the purest Kentucky Limestonefiltered water and new charred white oak barrels for aging This Flavorful infusion pairs the warmth of rebel yell with surprisingly that cherry tones, for sweeter sipping that doesn't mask the deep bourbon flavor.
