

Rebel Yell American Whisky

Founded in 1849

Since 1849, The "Rebel Yell" brand was created for Stitzel-Weller by Charles R. Farnsley (a former mayor of Louisville) around the 100th anniversary of the original Weller company, with the idea to distill it in limited batches for exclusive distribution in the southern United States. Award winning recipe using only the purest Kentucky Limestonefiltered water and new charred white oak barrels for aging The brand name is currently owned and marketed by Luxco, and the bourbon itself is distilled and bottled under contract by Heaven Hill at its Bernheim distillery in Louisville, Kentucky.
