

## Pallini Peachcello

### Zest for life

Pallini Peachcello is a tantalising elixir, a light sanity textured liqueur, brimming with appeal. Its generous bouquet showcases the tantalising aromas of ripe white peaches. The white peaches grown in Italy are world famous. Voluptuous and juicy, the white flesh is loaded with a delicate but intense flavour - the true taste of the Italian summer. These peaches were the favourite of Virgilio Pallini Sr, and his wife used to preserve them in alcohol so he could eat them all year long. She used what was left as a base for a luscious liqueur, adding fresh peach juice as a finishing touch and then mixing it with Italy's famous sparkling wine. Pallini Peachcello was inspired by Virgilio's love of Italy's finest white peaches which, picked at their peak, create a world-class liqueur with an exquisite bouquet. From a family owned company with more than 135 years of tradition in making distinctive Italian liqueurs. Pallini Limoncello is the No. 1 premium limoncello in the US and duty free market. Made exclusively with Amalfi Sfusato IGP (Indicazione Geografica Protetta) organic lemons, according to the original and authentic recipe. Craft Fact Pallini uses picked IGP Amalfi lemons. no flavorings, preservatives added.
