

Blood Oath Pact No.2 Kentucky Straight

Shall never be made again

That every batch of Blood Oath is the undertaking of one man — a student of both bourbon and science. Loyal to no one family, favoring no one distillery and bound by no one philosophy – this bourbon connoisseur has one goal in mind – to seek out bourbons rare and wonderful, famous and forgotten. Then bottle them in combinations previously unimagined for a lucky few. Not to cater to anyone’s loyalties, he has sworn to never reveal where he finds his bourbon, but only to promise to choose and make the best he knows. Loose lips never tasted something so special.
