

Gosling's Old Family Reserve

For Seven Stubborn Generations

The history of Black Seal Rum® and the Gosling family began long ago. In the spring of 1806 James Gosling, the oldest son of William Gosling, wine and spirits merchant, set out from England on the ship, Mercury, with £10,000 of merchandise, bound for America... Gosling's Family Reserve OLD RUM 40% (80°) is left resting in premium once used oak bourbon barrels where it is aged until it has acquired a luscious well balanced complexity much like a rare scotch or XO cognac. Extremely rare! Each bottle is hand numbered, and hand packaged in the original way Black Seal was, in a champagne bottle, sealed with black wax.
