

Gosling's Black Seal 151

For Seven Stubborn Generations

The history of Black Seal Rum® and the Gosling family began long ago. In the spring of 1806 James Gosling, the oldest son of William Gosling, wine and spirits merchant, set out from England on the ship, Mercury, with £10,000 of merchandise, bound for America... Gosling's 151 Black Seal Rum refers to the strength in US proof, which equates to 75.5% alcohol by volume. A blend of aged rums distilled from molasses, for a stronger version of Bermuda's National drink, the Dark 'N Stormy®.
