## Gosling's Black Seal

---

### For Seven Stubborn Generations

---

The history of Black Seal Rum® and the Gosling family began long ago. In the spring of 1806 James Gosling, the oldest son of William Gosling, wine and spirits merchant, set out from England on the ship, Mercury, with £10,000 of merchandise, bound for America... Gosling's Black Seal rum 40% (80°) is an original recipe dating back to the mid 19th century. It has become synonymous with Bermuda. It's the national drink and the island's most widely exported product. A blend of aged rums distilled from molasses, it is the key ingredient in Bermuda's National drink, the Dark 'N Stormy®.
