

## Pallini Ferrochina

### From the founder of Casa Pallini

• Ferrochina was considered a health tonic, with digestive properties, as a supplement and good for your blood and a cure for malaria. • Nowadays Ferrochina is consumed as a liqueur, aperitif, any time of the day and night. After the Second World War, Mothers used to make whipped egg yolks mixed with Ferrochina to help in the growth of their children. • Ferrochina key ingredients are cinchona bark (Cinchona Succirubra) and iron ammonium citrate. This is why the product has a red hue. • Ferrochina Baliva is unique, proprietary, hand crafted according to an artisanal process, produced in small batches, with no artificial ingredients. • Ferro China Baliva was awarded 8 Gold Medals.
