

Tres Josés Blanco

Unsurpassed Quality In A Value Tequila

8 generations of tequila tradition in the distilleries of the Beckmann family. Inspired by master agave grower, José Fernández, third generation of a family of respected growers in the tequila village who have worked with the Beckmann family over the past 80 years. The Fernández family grows premium blue agave in fields considered to have the best micro-climate for agave agriculture. Made with blue agave from the Beckmann family estate in the Central Valley of Tequila. Unsurpassed quality in a value Tequila. The colorful roosters evoke a Mexican icon coming from the same cultural roots as Tequila.
